

C G Am
You think that you know my heart, and you probably do
F

So I'm always with you C G
I could stay with you for hours, in an empty room
Am F
Never get bored, never have nothing to do

C
You're my other half
You're what makes me, me
G
You're what makes me smile
Am
When I fall down and can't get back, get back, get back up
F
On my feet

C
Without you here, I am boring
G Am
Something inside you is triggering
F
It makes myself, It makes me funny

C
You're a beautiful thing
G
We're a beautiful thing together
Am F
Even when the weather is low
C
You're a beautiful thing
E
We're a beautiful thing together
Am F
Even when the weather is low
C G
We can find the ra--inbow
Am
Up in the sky F
You'd say don't you cry, it's all gonna be alright

C G
If we ever go to fight a war, that would be bad
Am
'coz you know all my secrets,
F
and I know all of yours

C
Make hours into seconds together
G
The weight of the world feel like a feather

Am F
Cause we're holding it right in our hands

[pre-chorus (two parts) again]

[chorus again without "we can find the rainbow"]

Am Em F
You and me together, we'll forget what we have been told
G Am Em
We will live in our own dream world, you and me forever

F
We'll forget what we have been told
G
We will take on the whole world

Am
Without you here, I am boring
F C
Something inside you is triggering
G
It makes my self, It makes me funny

Am
You're a beautiful thing
E
We're a beautiful thing together
F G
Even when the weather is low
C
That's a beautiful thing
